### Who we are...

The Friends are people of all ages coming together with the purpose of making our Library an even greater asset than it already is to the residents of Thompson and the surrounding communities.

### Our beginnings...

Started in 1989, we have been raising funds through our book sale and dues to provide funds for programs and other activities at the Library.

I want to be an active member, please call me. \_\_\_\_

I prefer to be an inactive member. \_\_\_\_

Our membership year is April to April.

### Where we are going...

The Next Chapter is a special fund created by the Friends in 2010 to help move the Library into the future. The Friends are committed to supporting the Library's plan to renovate and upgrade existing space and services.

The \$1,156 raised prior to December 2012 was used toward the purchase of a computer literacy system for the children. Our future plans are to support a 3-D printer. Newly accumulated funds of \$1,527 are earmarked for this project. Donations to the Next Chapter continue to be welcome for future projects.
