Who we are...

The Friends are people of all ages coming together with the purpose of making our Library an even greater asset than it already is to the residents of Thompson and the surrounding communities.

Our beginnings...

Started in 1989, we have been raising funds through our book sale and dues to provide funds for programs and other activities at the Library.

I want to be an active member, please call me. ____

Our membership year is April to April.

The Friends of the Thompson Public Library is a 501 (c) 3 organization; donations are tax deductible.

My company's matching gift form is enclosed.

Where we are going...

The Next Chapter is a special fund created by the Friends in 2010 to help move the Library into the future. The Friends are committed to supporting the Library's plan to renovate and upgrade existing space and services.

2012...\$1,156 was used to purchase a computer literacy system for children.

2016... \$842.85 was used to support the Laboratory @ the Library. Filament for the 3D printer was purchased, along with technology toys for children.

2018...\$1,420 was used to purchase new additions to the Laboratory: Cricut Maker machine, 3D pens and a button making machine are now available at the Library.

Donations to the Next Chapter continue to be welcome for future projects.
